FROM THE DESK OF THE EDITOR IN CHIEF

I have the honour to present to you the volume 6 number 1 of Prestige Journal of Education. As with every other issue of the journal, this issue has a rich assortment of articles to satisfy the hunger for knowledge and quench scholastic thirst of our teeming readers.

It is worth mentioning that this is the 6th year since our maiden issue of the journal. It is a thing of joy that we have been consistently publishing two issues of the journal every year. In addition to publishing steadily and at the scheduled time, the feedback we receive on our rigorous peer review process and the overall standard of the journal is heartwarming. This feat could not have been possible without the cooperation and dedication of the Editorial Board and other stakeholders in the process. It is in recognition of this fact that I hereby convey, at this juncture, my profound appreciation to all the stakeholders who have contributed to the journal's attainment of this enviable height. My unadulterated thanks go to the Editorial Board, the Consulting Editors/peer reviewers, the authors, our printers, and even our readers. We have gone this far simply because all of you have played your expected roles in an exceedingly satisfactory manner.

May I, in a special way, congratulate all the authors whose articles are featured in this issue of the journal. We are aware of the fact that our peer review process is a respecter of rules guiding the review process only, and restricts criterion for acceptance of articles strictly to the contents of the articles. I wish to encourage those that their articles could not make it this time to upgrade the standard of their articles to meet our benchmark standard. We have made our reviewers' comments to be very detailed so that authors can learn from the peer review process.

As it is customary of us, this issue of the journal, just like others, has both the print and online versions. The online version of the journal can be accessed at <https://openaccessglobal.com>. We can be reached on email via prestigejournalseries@gmail.com.

Happy reading!

Prof I. C. S. Ifelunni
Editor-in-Chief
