## **FROM THE DESK OF THE EDITOR IN CHIEF**

The much-anticipated last month of the Year 2024 is here. We are pleased to present to you the volume 7 number 2 of the Prestige Journal of Education, which is the last publication for year 2024 from Prestige Journal series. Our deep-seated gratitude goes to the members of the Editorial Board, the Consulting Editors, the authors and indeed every other stakeholder for making possible the successful publication of this issue.

We are happy that this issue of our journal is not different from previous issues, in terms of assortment of articles published. The articles published in this issue are from authors from different academic institutions in different states of the Nigerian Federation, thus reflecting the multi-cultural nature of the Nigerian society. We are excited to note that this issue has articles from all the six geopolitical zones of Nigeria, without any exception. Such massive spread in geographical coverage, in addition to presenting our readers with assorted intellectual contents, is also a testimony to continuous confidence reposed in us, and an exemplification of national acceptability of our journal. We do not take it for granted that we have been enjoying such wide embrace and acceptance, unswervingly, for the past seven years

Congratulations to those whose articles passed our stringent and rigorous screening and peer review processes. Let me also encourage those whose articles could not make it this time, to be steadfast and learn from our detailed peer review comments. This should help them to upgrade the quality of their articles, when next they are sending them in. Just like all other issues of our journal, the online version of this issue can be found at <https://openaccessglobal.com>. We can be reached via [prestigejournalseries@gmail.com](mailto:prestigejournalseries@gmail.com).

We wish you a happy end of Year 2024 celebrations and a very prosperous and productive New Year 2025. Happy reading!

**Prof I. C. S. Ifelunni**  
*Editor-in-Chief*
