FROM THE DESK OF THE EDITOR IN CHIEF

As always, I am excited to present to the scholarly community the volume 9 number 1 of the Prestige Journal of Education. The volume number indicates that we are in our ninth year of consistent and timeous publishing. The credit of this achievement goes to all the stakeholders who made it possible. May I therefore express my profound gratitude to the members of the Editorial Board, the Consulting Editors, the authors and indeed every other stakeholder who exhibited trust, cooperation, dedication and sacrifices, which coagulate to our success story.

I am particularly pleased that we are consistent with the trademark that makes us unique. These distinguishing features have also manifested in this issue of our journal. One of such is timely publication. This issue was scheduled to be published in June, and that has been seamlessly achieved. Adherence to schedule of publication is customary to the Prestige Journal series. Another feature that we are known for is presenting the readers with a rich bouquet of intellectual contents. This issue also has assortment of contents with authorship base spread across all six geopolitical zones of Nigeria, and beyond. It is pleasing to note that we also have two international authors in this issue. Such huge geographical spread is a testament of our acceptance and a vote of confidence passed on us by the authors. We do not take such confidence for granted, as we are poised to continuously sustain and improve on our quality.

To those whose articles could not pass through the fine mesh of our rigorous peer review system, I urge you not to be disillusioned but to learn from our detailed peer review feedback and send quality articles next time. On the other hand, I congratulate the authors whose articles have been considered worthy to feature in this issue of our journal. Lastly, just like all other issues of our journal, the online version of this issue can be found at <https://openaccessglobal.com>. We can be reached via prestigejournalseries@gmail.com.

Once again, welcome to volume 9 number 1 of the Prestige Journal of Education. Happy reading!

Prof I. C. S. Ifelunni
Editor-in-Chief
